Out for a Presidential Jog

The only senior on the boys' cross country team, Class of 2002 president Pat Presto provided great inspiration for the underclassmen.

Last one in is a rotten...

Juniors Adam Houle and co-captain Rob Barton stay N*SYNC during a mid-season meet at Auburn High School.

True Grit, Determination, Hard Work...

Finishing first in 11 of 12 regular season meets, junior co-captain Steve Batcheller was one of Central Massachusetts' top runners in 2002. Steve's summer sessions and regular season regimen with his teammates led the boys to an undefeated regular season, the SWCL (East) title, second place in both the Wachusett Invitational and the SWCL Championships, plus fourth place in the Central Mass. State qualifying meet. Steve, Chris David, co-captain Rob Barton, Bill Vital and Kevin Tassinari were SWCL All-Stars while Alex Pfordresher, Greg Ericson, and Joe Hughes won varsity letters. Adam Houle, Morgan Minardi and Nick Shumeyko helped make the team one of the best in GHS history.

And They're Off!

The boys' mad dash at the start of each race usually separated the contenders from the pretenders.

Girls Just Wanna Have Fun

The girls' team answers the call for the start of another 3.1-mile race.

Magen Sukis and Lauri Polese With only one senior, captain Julia Jensen-Wheat, the girls' team has a solid nucleus returning for the 2002-2003 regular season. In her first season, junior Lauri Polese became one of the team's top runners while classmates Kari Gardner and Magen Sukis worked hard to improve. Sophomores Tamara Clegg, Rebekah Duhamel, and Leslie Mullen battled opponents' top runners in several meets.

With only one senior, tri-captain Jenna Ethier, the 2002 fall cheerleading team expected to have a rebuilding year. Fortunately, coaches Ms. Gwen Lapworth and Ms. Patti Fernandes and the cheerleaders dedicated themselves to continuing Grafton Memorial High School's tradition of stellar cheering squads.

By season's end, the team had garnered another SWCL title, a third place finish in the Regional, and, for the first time in GHS history, qualification in the State competition.

Led by the leadership of senior co-captains Katie Cederberg and Katherine Dujnic, the 2002 Indians completed a respectable season for first-year coach Ms. Tricia Ross. With seniors Katie Conrad, Colleen Dando, Jessie Guild, Jackie Reichle, and Lindsay Thompson, the team battled for the SWCL (E) title until a late-season scoring drought dropped their overall record to 5-8-5. With a core of great returning players including 2003 co-captains Ali Benson and Amy Oparowski, the Indians will contend for the SWCL title again.

One goal away...

Despite beginning the year with only one win in their first six games, the 2001-2002 hockey team made a bid to qualify for the State Tournament but fell one point short of a district berth. Needing a win or a tie in their final game, the Indians finished one goal away, losing, 3-2, to Fitchburg High. Season highlights included back-to-back shutouts by Joe Cadrin, a first in school history. Seniors Sean Kiley, Dan Norton, and Matt Ohman joined Joe on the SWCL All Star team.

Nicole,

We wish you all the best in your future, and know that you will succeed in whatever you do.

Love,

Mom, Dad, and Corey

Joseph Cadrin

Joe,

We just want to let you know how very proud of you we are. You have always been a good boy. We know how very lucky we are to be blessed with you as a son and brother. You are a kind and caring person with a heart of gold. We know that no matter what you choose to do with your life, good luck and fortune will follow you always. You will never be without friends and family. You are loved by all who know you. Especially us! We wish you all the best.

Love,

Mom, Dad and Gerry

Jason Charest

"Jay"

Easy baby; happy, busy boy! Running, laughing at 10 months old. Success: school, church, soccer, baseball, Scouts, football, skiing, track.... Good student, not the best, not the worst.

Healthy, you like good food, rest, exercise; you just need to learn to cook! Funny, dry sense of humor; quiet, shy. Hard worker. "Good kid". Son, brother; we are so proud of you and all you've accomplished. We know you'll continue to make us laugh and be proud. We love you very much and wish you all life's best.

Keep running forward Jay!

Love,

Mom, Dad, Dan, and Amanda

Christina Charron

Dear Christina,

Please try always to remember the good things we tried to teach you.

Always try to be the best that you can be. Carpe Diem, Angel!!

We love you!

Mom and Dad

Megan Cote

I am so proud of you, not just for today, but for so many things especially your choices. With this new beginning, I hope so many things for you: I hope you continue to make great choices.

"I hope you never lose your sense of wonder."

"I hope you never settle for the path of least resistance."

"I hope you never take one single breath for granted."

"And, when given the choice to sit it out or dance, I hope you dance; I really hope you dance."

All my love, Mommy

Colleen Dando

Beanie,

Since you were a little girl, you have been wanting to spread your wings and fly. Now is your time to soar. We wish for you a world of adventure and serenity that comes from listening to your inner voice. We wish you strength to turn life's defeats into challenges. We wish you the satisfaction of achieving your goals.

Our greatest wish is that you'll always remember how much you're loved by Mom, Bob, Ryan and Shannen.

Michele Dingle

You have grown into a beautiful person and have always made us very proud of you. We know whatever decisions you make in life, you will do well. We love you and will always be there for you.

Love,

Mom and Dad

Katherine Dujnic

Believe and trust in yourself. We love you, and will always be there to support you.

Love,

Mom, Dad and Family

Adrienne Arey

When I watch Adrienne play the piano and notice how her trained fingers fly over the keyboard, it triggers my memories of her earlier playing and her quiet, focused determination to master this instrument. We watched her perform in recitals over the years, noticing her increase in confidence as she learned more difficult pieces of classical music. Next year at college, she will use that same focused determination as she strives to master her chosen field of study in foreign languages. We will always be proud of Adrienne and know that she will find success as she navigates through the challenges that life will present her.

Sean P. Kiley

Where have the past 18 years gone? They went by too quickly and now you're off to college! We are so proud of you in your accomplishments and enthusiasm for life. We know that you will go far. CONGRATULATIONS!
All our love,
Mom, Dad, Brian and Kailyn

Richard Landry

You've come a long way from this little boy with the holes in his jeans!! We just want to tell you how proud we are of all you have accomplished in your life.
We know that your future is looking bright; so reach for the stars!!
Congratulations.
Love,
Mom and Dad

Laura Pizzimenti

You have given us so much pride and happiness. You've become a beautiful, bright, loving, and sensitive young woman. Your exceptional and outstanding qualities will enable you to be successful and achieve your goals. May you never lose your desire for knowledge. Believe in yourself and take pride in all your accomplishments. Follow your heart, remain true to your faith, and may all your dreams come true.
Love,
Dad, Mom, Mike, Steve, and Grandma

"As you slide down the bannister of life,
May the splinters never point the wrong way."
- Irish blessing

Nicole Mack

When you were born, I looked at you and wondered what your life would be like. You maintained pride in yourself and your school-work despite serious issues in life that would have knocked most people down for the count. You stayed focused and persevered. College will be yet another challenge for you, but I know that you will greet each new challenge with the grace and maturity that you have displayed all your life. I love you so much and I am proud to be your mother.

To a daughter who has always brought us so much happiness, laughter, and love. We are very proud of you!

And remember, a wise Scandinavian once said, "May the light always find you on a dreary day. When you need to be home, may you find a way. May you always have courage to take a chance. (And never find frogs in your underpants!)"

Believe in yourself always!!

Melissa LaChance

Melissa,

You've turned into such a beautiful young lady. We are proud of you and all of your hard work. You deserve the best. Follow your dreams, and don't let anyone steal them away from you.

"May the good Lord be with you, darling, every road you roam and may sunshine and happiness surround you when you are far from home. And may you grow to be proud, dignified, and true. And do unto others as you would have done to you. Be courageous and be brave and in my heart you'll always stay, Forever Young."

Love you,
Mom and Dad

Meghan Rourke

You are a beautiful daughter who brings joy to our everyday lives. Be proud of who you are and what you've overcome. Accept that mistakes are an integral part of life. Learn from them and go forward to meet the difficult challenge of not repeating them. As you begin this new adventure, we wish you every success and pray that the world will treat you gently. Whatever path you choose, may your life be blessed with laughter, peace, true friends, and much happiness.

Always know that we will be there for you...

Grammy, Grampa, Jonathan, and I are very proud of you. Jonathan's words from Germany express our thoughts the best -

"Knew you could do it. From here the sky is the limit. Just take it one step at a time, but be careful the ground isn't always stable. Think before you walk and you'll always be on the right path."

Don't ever forget we love you and will always be here for you. All you have to do is reach out your hand and you'll find us there.

Mom

Katie Cederberg

This time has come so quickly. It is hard to let you go. You are a major part of our lives. We are proud of you and who you have become. You will be one of the best at whatever you do. Keep on being a warm and friendly woman, steadfast in your goals, and the world will be a better place for it.

Jaclyn Reichle

You bring such joy to our lives. There has always been a certain uniqueness about you that makes you special - your inward kindness, honesty, and strength of character. Your qualities are endless and your dreams are your future. Eighteen years ago God blessed us with a precious gift in you, always to be treasured. Reach high for your dreams and you will find them. You are full of spirit and determination. May life be kind to you and may you find success. We love you and you will always be our luscious baby.

Congratulations - you have earned it!

Love,

Mum, Dad, Jen, and Jamie

Always A Hero

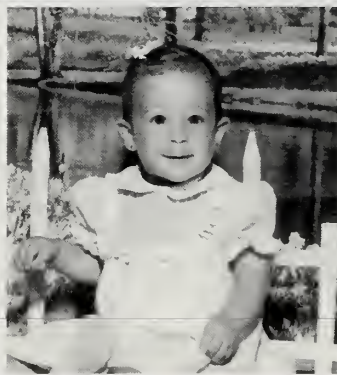

Steve,

The years have gone by far too fast, but timeless memories are in all our hearts to hold. Whether it was on the playing field or in the way you've made life choices, you have always been and will always be Our Hero. Continued success in all you strive for and be assured we are all behind you. You make our family proud.

All our love,

Mom, Dad, Tammy, Vin, Vince, Troy, Nana, Gram, Cathy, and Shayna

Lindsay K. Thompson

Congratulations and Good Luck!

We had such dreams for you when you were born. You've grown into a wonderful young woman and have made us so proud - more than we could ever have wished for. Now it's time to spread your wings and explore life; live every day to the fullest. Remember the lesson of the five balls: Work is rubber - if you drop it, it will bounce back. Health, family, friends, and integrity are glass - if you drop them, they could shatter. Good luck at URI. We'll always be here for you.

Love,

Mom, Dad, Brandon, Cameron (and Champ)

Baby Pictures

Brett Remillard

Dear Brett,

You came into the world at a high speed of twenty minutes. We called you "Perpetual Motion." From the time you could smile, your grin was a charmer. As you once said, "Sometimes I smile and I'm not going to do anything." And oh that determination and your fierce loyalty to your cousins and friends. We are so proud of you. Keep that smile always, your determination and your loyalties. In the future, they will be your strengths.

Love always,
Mom and Dad

Lindsey Roy

Some things never change! Even back then this is your favorite pastime, and the years have gone by too fast. We know you will be successful in all avenues that you choose. We are so proud of you and we love you very much!

Love,
Mom, Brianna, Daddy, and your family

Diana Scott

Diana,

I can't believe my little girl is graduating from high school. I'm so proud of you and all that you have accomplished. You are now going out into the world to do great things. You will take all the gifts that were given to you and be great in what you do.

Love,
Mom

Kati Welch

Congratulations! We are so proud of you. There is no doubt you will have a successful and happy life. Thanks for the energy and happiness you brought home every day. You have always been a star in our eyes.

Brett Mills

Brett,

Our shy little guy - now a caring, lovable, young man who views life as one big mountain to climb. We envy the excitement and tenacity that you view each something new with. Never, how can I do it, just - when? As you travel your paths to success, there will be many; don't lose the zest you have both for people and for your dreams. Some will tell you why it can't be done. Remember Mount Mills, aim high and continue to soar like an eagle.

We continue to be proud and we love you,

Mom and Dad

Justin Moore

Justin,

Listen to your heart, pursue your dreams, and happiness and success will follow.

Our love always,

Mom, Dad, Brian, Nicky, and Sisco

Rachel Sutherland

Rachel,

As I searched for the one picture to put in your yearbook, one thought kept going through my mind: Where did the time go? I remember the day I brought you home from the hospital, and now you're a wonderful young lady. You're graduating high school and will leave for college. The only words of wisdom I can give are these: The future is all yours. You are a bright, smart, and beautiful person. You can make the future whatever you want. I am very proud of you.

I love you,

Mom
